Even in times of Covid-19 you can borrow books. However, a little different than you are used to. Here you can find out how to get the books, essay copies or tables of contents you need:

1. You send us an email. You can find out exactly what must be written in the email here.
   Your mail has to be incoming to the library at least 24 hours before the wished time to pick it up.
2. We look for the media, copy articles or tables of contents. As soon as we have put everything together, you will receive an email with an exact date and timeframe in which you can pick up your order. You can also wish at what time you prefer to come (Monday till Friday between 10 and 12 o’clock) - but it must be 1 working day before picking up is timed.
3. On the day of collection, please bring your student ID (= library card) with you and come to the open window at the time you have been given. [Insert picture from outside here that shows the window]
4. When you show us your ID, you will then receive the media you have ordered.

Please keep the appropriate safety distances while waiting, both to us and to other waiting persons.

Thank you!
